

Exhibit E – Professional Resume for Principal Officers Responsible for Delaware Operations

Company Overview

IDT Energy Network, LLC (“IDT Energy Network”), formerly known as EPIQ Energy, was organized on February 5, 2013, in Delaware, as a limited liability company. IDT Energy Network has expanded into residential and commercial brokerage wholesale, aggregation, and advisory services across the country. On December 5, 2013, IDT Energy Network was acquired by Genie Energy Services, LLC f/k/a Shuk Holdings, LLC, a wholly-owned subsidiary of IDT Energy Inc., which is in turn a wholly-owned subsidiary of Genie Retail Energy, Inc., which is in turn a wholly-owned subsidiary of Genie Energy International Corp., which is majority-owned (99.3%) by Genie Energy Ltd., a publicly traded company (NYSE: GNE).

Operations Expertise

IDT Energy Network will work with certified competitive retail electricity suppliers in Delaware in order to give customers a variety of options from which to choose. The customers can then decide which supplier best suits their specific needs based on current market conditions as well as historical and expected usage.

All consumer interactions engaged in by IDT Energy Network employees and agents are conducted with the highest degree of professionalism, in accordance with industry best practices and in full compliance with federal, state, and municipal law as well as the regulations of the Public Service Commission.

Officers' Experience

Michael Stein, CEO

Michael Stein has been CEO of IDT Energy Network, LLC since 2014. In May of 2015 he also assumed the role of CEO of Genie Retail Energy, Inc., a corporate parent of IDT Energy Network, LLC. Previously, he served as Executive Vice President of Operations and then Senior Vice President of Operations of Genie Energy Ltd., the publicly-traded ultimate parent company of IDT Energy Network, LLC. Prior to assuming responsibility for the energy related initiatives, Mr. Stein was Senior Vice President of Business Development of IDT Telecom and was an analyst at Belstar Investment Management. He holds a BA in Psychology from Yeshiva University.

Alan Schwab, President

Alan Schwab is the President of IDT Energy Network, LLC since 2014 and is also President and Chief Operating Officer (COO) of Genie Retail Energy, Inc., a corporate parent of IDT Energy Network, LLC. Alan is responsible for the day-to-day operations of the businesses including sales, operations, compliance, customer service and technology.

Prior to his foray into energy, Alan excelled in a succession of senior operations positions at IDT Corporation beginning at IDT Telecom, which he joined in 1996. As SVP at IDT Telecom, Alan managed the routing, provisioning and switching translations for IDT's global telecommunications network.

Alan subsequently was named COO of IDT Capital, the division of IDT responsible for new business initiatives and incubation. In that capacity, he directed the development of over a dozen successful start-ups, including IDT Energy.

Alan holds an MBA from Barry University in Miami, Florida.

Avi Goldin, Executive Vice President of Finance & Treasurer

Avi Goldin is the Executive Vice President of Finance and the Treasurer of IDT Energy Network, LLC. He has also served as Chief Financial Officer of Genie Energy Ltd., the publicly-traded ultimate parent company of IDT Energy Network, LLC, August 2011. Prior to assuming these roles, Avi served as Vice President of Corporate Development of IDT Corporation from May 2009 through October 2011. He originally joined IDT in January 2004 and held several positions within IDT and its affiliates before leaving in January 2008 to join CayComm Media Holdings, a telecommunications acquisition fund, where he served as Vice President, Finance. Avi re-joined IDT in May 2009 as Vice President of Corporate Development. Prior to joining IDT, Avi served as an Investment Analyst at Dreman Value Management, a \$7 billion asset management firm and as an Associate in the Satellite Communications group at Morgan Stanley & Co.

Avi holds an MBA from the Stern School of Business of New York University, a B.A. in Finance from the Syms School of Business of Yeshiva University and is a Chartered Financial Analyst (CFA).
